FROM: Dawn Walters, Project Manager  
RE: Annual Meeting Postponed  
DATE: May 6, 2020

Due to the ongoing ban on gatherings and the requirements that owners be able to observe the opening and counting of ballots, the Annual Meeting of the Members scheduled for May 13, 2020 has been postponed until June 10, 2020. We are hopeful that by then the restrictions will have been lifted or at least lessened and we will be able to properly conduct the ballot counting.
